

Township of Middletown

APPLICATION FOR FLOODPLAIN ENCROACHMENT PERMIT

Planning and Development Regulations #540-940 require this permit subject to the provisions of Article 7 (#540-709). No person shall engage **in any new development or substantial improvement of an existing structure** in the flood hazard area until such person has applied for a Floodplain Encroachment Permit from the Township Floodplain Manager. The Floodplain Manager shall review and determine that the permit requirements have been satisfied.
