

Township Launches "Meeting Middletown" Video Series

Middletown Township launched its "Meeting Middletown" video series today on the municipal TV channel (Verizon FiOS channel 26 and Comcast channel 20) and [YouTube station](#). The segment highlights directors from various Township departments so residents can learn more about their role and how their departments function. **Our first episode features Dominic Donatelli, Supervisor of the Crossing Guard Unit of the Middletown Township Police Department.** Dominic speaks about the crossing guards' training, some of the dangers they face, and provides tips for parents and other residents when dealing with our Township's crossing guards so they can focus on their important job of keeping our children safe.
