## **Middletown Crossing Guards Attend Annual Training**

**By law, all Middletown crossing guards have to attend a State-mandated refresher training course every August before returning to their posts. This training consists of a video that demonstrates the proper procedures and techniques they should be utilizing when crossing both students and pedestrians who come within their guarded areas. Crossing Guard Supervisor Dominick Donatelli also demonstrated these techniques in person. Retired Detective Peter White of the Middletown Board of Education's Security Department also gave a lecture about "School Safety & Awareness". At the end of the training, Crossing Guard Cheryl Wilson received her 30 Year service pin and Crossing Guard Betty Juan received her 25 Year service pin. We wish all of our crossing guards a safe school year ahead!**

**TIP OF THE WEEK**

Recyclable items should be loose in the blue recycling cart.

Plastic bags are not accepted in curbside recycling collection.

Clean and dry plastic bags can be recycled separately at most supermarkets and superstores.

**DID YOU KNOW?**

*Plastic bags are the #1 contaminant in the single-stream recycling process.*

*These bags wrap around the equipment and cause complications at the recycling processing center.*
