Middletown Township today announced that it is the first town in the state of New Jersey to purchase a Styrofoam* recycling machine. Starting Thursday, December 26th, residents of Middletown and Monmouth County can drop off clean EPS (Expanded Polystyrene) foam packaging materials from large items such as televisions, appliances, computers and furniture at several locations throughout town. The recycling collection sites are located at the Middletown Recycling Center (52 Kanes Lane; open from 8:30 AM-4:30 PM Thursday through Monday) and the Middletown Train Station (open 24/7). There will be another drop off point in the Bayshore area in the near future.

Middletown First Responders Awarded Mayor's 5K Challenge Proceeds

Mayor Tony Perry and Recreation Director Janet Dellett presented Chiefs from the Middletown Township Police Department, Fire Department, Office of Emergency Management and Emergency Medical Services with a check from the proceeds of the Mayor's 5K Challenge.

At the Monday, December 16th Township Committee meeting, Mayor Tony Perry presented Middletown's First Responder Chiefs with a check from the proceeds of the Mayor's 5K Challenge that was held in October at Poricy Park. Each department will receive \$1,675 to use towards new equipment.

The Mayor's 5K Challenge was the culmination of the Mayors Wellness Campaign, a statewide community health initiative that provides evidence-based tools and strategies for mayors and community leaders to help their residents improve their overall health and wellness. Thank you to all the runners and walkers who came out to support our very deserving first responders. We look forward to seeing you at the 2020 Mayor's 5K Challenge on October 17th!
