

Tennis Courts & Fields Now Open for Passive Recreation

The Township started to phase in the opening of tennis courts and fields today for passive recreation, provided the community practices safe social distancing and adheres to the following guidelines:

- All participants must remain 6 feet apart.
- Groups are limited to 10 people or less.
- No group tennis or sporting lessons are permitted.
- The Township intends to open facilities for organized team play, practices and training to groups of 10 or less on May 15.

As a reminder, all play structures/playgrounds and basketball courts remain closed until further notice. All field permits have been cancelled and lights have been turned off. The Township will be monitoring these areas to ensure that community members are using these facilities safely or restrictions will need to be re-enforced.

We urge the community to practice safe social distancing so we can all remain healthy. For the most up-to-date Township information regarding COVID-19, please visit www.middletownnj.org/covid19.

In support of Middletown's "[Takeout Thursdays](#)" initiative and small business recovery efforts, the Middletown Economic Development Committee (MEDC) has

created a database of local restaurants to provide an easy way for community members to search for details regarding their favorite establishments.

“As leaders in the Middletown business community, it is our responsibility to help other business owners navigate the current situation and facilitate a COVID-19 economic recovery plan,” said Abe Littenberg, Chairman of the Economic Development Committee and partner in Guttenplan’s Frozen Dough. “This is the first of many actions the MEDC will take to help get businesses back on their feet again.”

To access the restaurant database, visit www.middletownnj.org/restaurants or visit www.middletownnj.org/restaurantmap to utilize the map tool.

Township Committee Expected to Extend Grace Period for 2nd Quarter Property Taxes Through June 1

The Middletown Township Committee is expected to extend the grace period for 2nd quarter tax collection to June 1 at the upcoming Workshop Meeting on Monday, May 4. This extension is intended to alleviate some of the financial hardships incurred by the COVID-19 pandemic.

The Township is still required to make on time payments to the School District and County on May 11 and May 15 respectively. Township officials have been in contact with both parties and they are confident they can work out a payment plan that works for everyone.

Please ensure that property tax payments are received by the Tax Collection Office, located at Croydon Hall (900 Leonardville Road, Leonardo), by 8:00 AM on Monday, June 1, 2020 to avoid interest charges. There are no refunds for payments already made.

As a reminder, the Tax Collection Office is currently closed to the public so tax payments cannot be made in person. Homeowners can pay property taxes to the Township in any of the following ways:

MAIL: You can mail your payment to the Township of Middletown, 1 Kings Highway, Middletown, NJ 07748. *Please do not mail payments to Croydon Hall.*

DROP BOX AT CROYDON HALL: For your convenience, tax payments can be placed in the drop box at Croydon Hall. This box is located by the door that faces the playground and is checked daily.

ONLINE: You can pay your taxes online through the Township website by visiting www.middletownnj.org/taxcollection or click [HERE](#) to access the Township's payment portal. *Please note there is a 3rd party fee if paying by credit card but there is no charge if paying by check.*

MTPD Warns Residents About Recent Scams

A warning sign and informational text about scams. The sign is red and white with the text 'WARNING!' at the top, 'SCAM ALERT' in large red letters in the middle, and the Middletown Twp. N.J. Police logo at the bottom. To the right of the sign is a white box with the heading 'Be Aware' and a list of three bullet points. The first bullet point says: 'Your family member is not in jail and does not need to be bailed out. No Law Enforcement Agency will come to your house for bail money nor would a representative from another country. Call the Police Dept. or your relative directly with the number YOU HAVE.' The second bullet point says: 'Your Webcam has not recorded you in the privacy of your home. Please do not send money to prevent your footage from being leaked - place duct tape or a post-it on your webcam if you're concerned.' The third bullet point says: 'Your browser viewing history will also not be leaked to everyone you know if you do not pay a ransom.' Below the list, it says 'Again please contact your Police Department 732-615-2100'.

Guidelines for Satellite Recycling Centers

GUIDELINES FOR

MIDDLETOWN
TOWNSHIP

SATELLITE RECYCLING CENTERS

♻️ The satellite recycling centers are for the following items only: Cardboard, Mixed Paper, Comingled Recyclables (glass, plastic and aluminum) and Styrofoam/EPS. If there is another item you would like to recycle, you must bring it to the Middletown Recycling Center (52 Kanes Lane). Please DO NOT leave items that do not belong at the site.

♻️ If you see that the satellite recycling center is at capacity, do not leave materials outside of the bins and on the ground. The Department of Public Works maintains the centers on a daily basis so hold on to your recycling until there is room.

♻️ DO NOT leave items that are not accepted at the satellite recycling centers. This constitutes illegal dumping (Township Ordinance 540-517 on Solid Waste Disposal) and is punishable by law.

If you have any questions, contact the Department of Public Works at 732-615-2109 or at recycling@middletownnj.org.

2020 Brush Collection Update

4/28/20

Due to the impact of the COVID-19 pandemic, all Township employees are working an alternating-week schedule, effectively reducing staff by 50%. Crews continue to work diligently to collect brush while still providing other public works essential services during this unprecedented time. We ask for the community's patience as we collect brush in the remaining zones as quickly as possible. Please continue to monitor this web page for updates.

MAX. VOLUME OF BRUSH PILE ACCEPTED = 4 CY (2'W X 3'H X 18'L)
MAX. LENGTH OF TREE LIMBS ACCEPTED = 3 FT

The Road Back: Governor Murphy Announces Plan for Economic Recovery through Public Health

The Road Back: Restoring Economic Health Through Public Health

Six Key Principles

Governor Phil Murphy announced his vision, "The Road Back: Restoring Economic Health Through Public Health," to restart New Jersey and put the state on the road to recovery. Gov Murphy's stay-at-home Executive Order, which has been in effect since March 21st, will remain in effect in its entirety until further notice. The following six principles and key metrics will guide the process for lifting restrictions and restoring New Jersey's economic health through public health.

- 

Principle 1: Demonstrate Sustained Reductions in New COVID-19 Cases and Hospitalizations

 - 14-day trend lines showing appreciable and sustained drop in cases, hospitalizations, and other metrics;
 - Hospitals stepping down from functioning under crisis standards of care.
- 

Principle 2: Expand Testing Capacity

 - At least double current diagnostic testing capacity;
 - Prioritize testing for health care workers, essential personnel, and vulnerable populations;
 - Create a flexible testing plan accessible to all residents;
 - Expand partnerships with institutions of higher education, private-sector labs, and the federal government.
 - Ensure that those who test positive are linked to a health care provider.
- 

Principle 3: Implement Robust Contact Tracing

 - Recruit and deploy an army of personnel who will identify and follow-up with contacts;
 - Leverage technological data and innovative solutions to increase efficiency;
 - Coordinate the approach of local and state health officials, which will have a coordinated county/regional component.
- 

Principle 4: Secure Safe Places and Resources for Isolation and Quarantine

 - To the greatest extent possible, provide individuals who do test positive in the future with a safe and free place to isolate and protect others from COVID-19;
 - Ensure that quarantined contacts are provided supportive services, if needed.
- 

Principle 5: Execute a Responsible Economic Restart

 - Create the Governor's Restart and Recovery Commission to advise on the process and recommend responsible and equitable decisions;
 - Plan for a methodical and strategic return to work based on level of disease transmission risk and essential classification;
 - Continuation of social distancing measures where feasible and appropriate;
 - Leverage any available federal funds and programs to support health care, individual, and small business recoveries.
- 

Principle 6: Ensure New Jersey's Resiliency

 - Learn from the lessons of COVID-19 and prepare for the possibility of a resurgence;
 - Ensure hospitals, health care systems, and other health delivery facilities have inventories of personal protective equipment and ventilators;
 - Build our own state personal protective equipment and ventilator stockpile;
 - Create a playbook for future administrations for the next pandemic.
