## Attention Middletown Businesses

The Middletown Township Veterans Affairs Committee is hoping you will support its "Thank a Veteran" program to help recognize the sacrifices they have made for our country.

You can help by offering a special discount to veterans, and in turn the committee will place a veterans' discount sign in your window that will showcase how your business, and our community, thanks veterans every day.

Veterans must show a military ID card, VA card, County veterans' card or a veterans' organization membership card.

We will post all supporters of this program on our Township's Veterans Affairs Committee landing page.
